A WILLING WITNESS.

Is This Mexico Resident.

What stronger proof of the merit of Doan's Kidney Pills can Ledger readers demand than the statement of a well-known local resident? The evidence that follows should convince the most skeptical doubter.

John Burgess, prop., City Hotel, says: "My kidneys were weak and bothered me and my back ached severely over my kidneys. I could hardly stoop or bend as my back was so sore. The kidney secretions were too free in passage and highly colored and I had to get up as often as eight or ten times a night. Doan's Kidney Pills cured me and I know they are a good reliable remedy."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Burgess had. Foster-Milburn Co., Mfrs., Buffalo, N. Y. dl Wed w1 Advertisement

AUDRAIN IS SUPPLYING MANY HORSES

Curtis ("Jump") Cauthorn, formerly of this city, now residing in Kansas City, has entered the saddle horse business again and is associated with Herbert M. Woolf, of Kansas City, owner of the Woolf Bros., store there. The stock will be kept on the Woolf farm, called "Woolfing" near Kansas City. They are buying all the best brood mares to be found until they have 50. Mr. Cauthorn was in Mexico recently and bought 19 head of good mares besides a number in Columbia, Paris and Holland. The demand today is for Rex McDonald stuff more than it has been in years and this section of the country is the only part that can supply this demand.

Walker Pollock—9 head. This includes his best mares—daughters of Greatland, King McDonald, Rex McDonald, Montgomery Chief and two geldings—"the best show prospects I've seen for several years," says Mr. Cauthorn.

Lee Bros., two mares—One by Rex McDonald and one by Majestic McDonald. Extra good ones.

French Fields, three mares—One by Rex McDonald, one by Ortiz Rose and one by Montgomery Chief.

Splint Barnett, a Black Squirrel mare and foal.

B. R. Middleton—a chestnut Rex McDonald mare.

Limestone McDonald, sire of Phoebe Dare, is owned by the new firm, and is said to be by the best judges the greatest show mare in America today. She is now in this city being trained by Tom Bass, the veteran negro trainer who is at present one of the leading saddle horse trainers in the world.

Mr. Cauthorn has been connected with the horse breeding business for years and was instrumental in establishing the World's Championship Saddle Stake at the Kentucky State Fair. Through his efforts he expects to revive interest in the raising of fine horses in Audrain and again establish this section as the leading saddle horse center of the world. The farm will feature Rex McDonald stock.

200 VISITORS EXPECTED

AT I. O. O. F. ENCAMPMENT

AT FULTON, DECEMBER 7

Two hundred visitors from Mexico, Jefferson City, Columbia, New Bloomfield, Tebbetta, Auxvasse and other places are expected to attend the meeting of the Westminister encampment No. 30, I. O. O. F. at Fulton, December 7. Fifty candidates will be initiated and 200 visitors are expected. Word has been received that Grand Patriarch C. H. Lampton of Hamilton, Mo., and Grand Scribe W. P. Waring of Carthage, Mo., will be present.

Mrs. J. A. Glandon and daughter, Mildred, left Saturday morning for New Orleans where they will meet Mr. Glandon who has been in the South for some time.

MCMILLAN HAS HIGHEST PERCENTAGE

In a recent issue of the Columbia Daily Tribune it was contended that the Columbia High School foot ball team was the champion high school team of Central Missouri. In basing this claim Columbia says that at the time they were defeated by McMillan High School on the Academy field here, the field was so muddy that it "was no occasion for the display of football ability."

In speaking of this argument, L. B. Hawthorne and J. P. Angus, coach of the McMillan team point out the fact that on a muddy field the Columbia team had the advantage as their backfield was the heaviest.

Columbia says that they defeated Jefferson City High School playing the ineligible men. The game however was played in Columbia and the many of the ineligible men who were instrumental in McMillan's defeat in Jefferson City were not played. In fact McMillan is the only high school which consented to play Jefferson City this season on their own field. But even counting this game a defeat McMillan still has the highest per centage. Jefferson City refused a return game with McMillan on the ground without the ineligible men they only had half a team.

Coach Forrester of the Columbia team is a paid coach while Mr. Angus of McMillan is a regular employed member of the teaching staff. An effort is being made to perfect the Central Missouri High School League and if this is accomplished the employment of professional coaches for high school teams will be forbidden.

Played Fulton Golf Course in "Scotty" Irwin, the Fulton County Club professional, played the club course in 37 strokes Wednesday afternoon, equalling the best score he has ever made it on. He played the holes as follows: 3, 4, 3, 4, 5, 3, 6, 4, 5. But for a streak of bad luck on No. 7 he would have been able to cut the record a couple of points. Two Westminster College students played the course with Irwin.

R. W. Scrogin of Laddonia came to Mexico Sunday.

WHAT THE GOVERNMENT IS DOING FOR YOU

We have cause in every way to feel proud of our country, but we are as a nation too little informed as to the activities and actual benefits of our Government. To remedy this situation locally, we have secured the exclusive right to distribute a series of attractively illustrated folders and booklets in which are given new and interesting facts about Our Government and how we all share its beneficent influence.

We will gladly send one of this set each month to those who will request it, and as a permanent container for this valuable information, we will present a substantial brown and gold portfolio upon personal call at this Institution. No obligation.
